

Join [HERO](#) for some football:

Seattle Seahawks vs. Denver Broncos

Friday, August 14 at 7:00 p.m.

HERO is starting a new process for handling a very limited number of tickets for a popular event. All HERO members wanting to purchase tickets for this event will be entered into a drawing for the chance to purchase up to 4 tickets.

Only 39 tickets are available. Seats are in Section 319, rows W, Y, & Z and Section 343, rows X & Y

Tickets are \$90/per person and include the bus trip, snacks on the bus, and ticket to the game. Bus will leave from the Federal Building parking lot in the late morning - and return immediately after the game.

- HERO members have up to 14 days from July 9, 2015 to submit entry to request tickets. All requests need to be received by 7/23/15 @ 11:59 p.m.
- Entry method will be an email to HERO_Hanford_Emp_Rec_Org@rl.gov (contact Tiffany for USPS mail entry information).
- Each person shall submit name, email address, phone number, and number of tickets desired.
- **The maximum number of tickets one person can request is 4.**
- Only employees of HERO-sponsoring contractors (and their subcontractors as included in beginning of fiscal year headcounts) are eligible to submit an entry, and may only submit one entry/employee.
- Within one week of the entry cutoff date, a team of 3 non-HERO board members will meet to draw names to fill the available seats. A 'waiting list', consisting of half the number of available seats, will also be drawn. The chairperson shall NOT participate in the drawing.
- The chairperson shall **notify the winners by email**, which will include both 'delivered receipt' and 'read receipt' options on the message. The message will indicate they have 10 business days to deliver event payment (in full), request that checks be written to "HERO" and give the delivery address. Payment must be in the form of cash, money order or cashier's check.
- If a 'winner' has not read the email within 2 business days, the chairperson shall call the phone number provided; leave a voice message if necessary. The payment due date does not change.
- If any winner doesn't respond, doesn't want to attend the event, or doesn't get payment in by the due date, the chairperson shall start calling alternates, from the top of the list down.
- If any winner cannot use their tickets after payment is made, the chairperson shall call the next person on the alternate list.
